Michigan Youth Cycling Program

The Iceman Scholarship Program

Iceman Scholarship Program Outline

The Michigan Youth Cycling Program MYCP would like to recognize a student athlete at the completion of the **Iceman Cometh Challenge** (www.iceman.com). This cyclist has made a commitment to cycling and represents the values of good Character, Courage, Goal Setting and Self-discipline through friendly competition. We recognize that young racers sacrifice time, money, and energy to represent their team, family and cycling, often with little support from those outside the cycling community. The MYCP would like to recognize this hard work by awarding scholarships to a deserving individual in an effort to support their educational endeavors.

Kids Race Sports Development Inc proud organizers of the MYCP will award to the Fastest Male and Female, 18 and under rider, a scholarship for their educational endeavors. At the end of each years race, The MYCP will award a scholarship that day to the fastest male and female rider. The amount of the Scholarship will be determine from that years fundraising events from:

1. **Five entries that will be auction off on E-bay from that years race**
2. Donations from the transfers of entries from that years race
3. Donations sent in under the Iceman Scholarship Program

The winners of the scholarship will follow the following rules of the program

1. Must be 18 or younger on Dec 31st of the year racing to win the scholarship
2. Must race in the Iceman 30 mile point to point race
3. Must use the scholarship before your 23rd birthday
4. Scholarship money can only be used for **books or tuition**, the check will be written out to the scholarship winner and the school they are attending
5. The school must be an accredit school
6. You must summit in writing that you are requesting your scholarship money be sent to you. You will be required to fill out a form that will be sent to you. This form must be filled out and sent back to Kids Race Sports Development Inc. We will then send you a check, for your scholarship winnings. This will take up 90 days.
